

Muscogee County has an elevated risk profile. Pfos exceeds recommended limits in approximately 88% of tested wells, driven by industrial sources. Contamination is often invisible — testing is the only way to confirm your well's safety.

RISK LEVEL

YOUR TOP WATER QUALITY RISKS

CONTAMINANT	HOW COMMON	RISK LEVEL	SOURCE & CONTEXT
PFOS	~88% above limit	High	Industrial — Firefighting foam and industrial discharge
PFOA	~88% above limit	High	Industrial — Firefighting foam and industrial manufacturing discharge
Sulfate*	~100% of wells	Low–Moderate	Geological — Natural dissolution from gypsum and sulfate minerals
Fluoride	~100% of wells	Low–Moderate	Geological — Naturally elevated in some deep or volcanic aquifers
Chloride*	~100% of wells	Low–Moderate	Road/Geological — Road salt application and natural mineral deposits

* Secondary standard — an aesthetic limit for taste, odor, or staining. Not a health-based EPA limit.

WHAT TO DO NEXT

- Order a water test.**
Test for PFOS, PFOA, Sulfate, Fluoride, coliform bacteria. Bacteria annually; others every 3–5 years.
- Get your free county report.**
See full data, treatment options, and certified labs at <https://yourwaterreport.com/states/ga/muscogee-county/>
- Upload your lab results.**
We'll interpret them, flag anything above limits, and recommend next steps — free.

KNOW YOUR WELL

Well driller / service contact

WHAT YOUR RESULTS MEAN

Use this to interpret your lab report — match the contaminant to your result.

IF YOUR TEST SHOWS	WHAT IT MEANS	CONSIDER
Bacteria detected	Immediate concern	Shock chlorination; add UV system
PFOS detected	Health advisory level	Reverse osmosis filter
PFOA detected	Health advisory level	Reverse osmosis filter
Fluoride > 4 mg/L	EPA limit exceeded — skeletal risk	RO filter or activated alumina

WHO SHOULD USE THIS

- Homeowners on private wells — not covered by public water testing
- Home buyers doing due diligence before closing
- Families with infants, elderly, or immunocompromised members
- Anyone who hasn't tested their well in the past 3 years
